

Late Winter Crystal Airport (MIC) Pilot Meeting

Presentations on Airborne Pilot Deviations - Reduce the Risk, Temporary Flight Restriction review, new helicopter landing and departure clearance phraseology, updates on Crystal open house and flooding this spring, a MIC/aviation trivia game, the latest MIC runway incursions and audience questions/comments.

Directions: From HWY81 and Bass Lake Rd. intersection drive westbound on Bass Lake Rd. Turn southeast (left turn) on W. Broadway Ave. Then turn south (right turn) on Douglas Drive N. The Crystal Community Center is on the east side of the road.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
